

Friday Chess Club at North Austin Mathnasium

Fridays after school ... 3:30–5:00 p.m.
featuring instruction by National Master Paul Chaplin

Attention students ages 7–17! Friday Chess Club at North Austin Mathnasium is open to experienced players as well as those completely new to chess! Every month, regular tournament and training exercises are used to help students improve their skills. The club offers a great interactive learning experience with one of Austin's leading chess coaches!
